Agenda

1. *Welcome*
2. *Waterfront Transportation Projects Status Report*
3. *Presentation by Staff on Alternatives to Replacement of the Embarcadero Freeway and the Terminal Separator Structure (TSS)*
4. *Question and Answer Period*

The meeting will update the CACEP on the status of all Waterfront Transportation Projects, with particular emphasis on the proposed Mid-Embarcadero Freeway/Terminal Separator Structure Replacement Project prior to preliminary selection of a "preferred alternative" by the Board of Supervisors in late October. A hearing is tentatively scheduled before the Housing and Land Use Committee of the Board on October 19, 1995.

The Draft EIS/EIR on the Project was released for public review on August 25, 1995. Copies are available at the Public Information Counter of the San Francisco Planning Department, 1660 Mission Street. Written comments on the draft environmental document can be submitted (until 5:00 P.M. on October 23, 1995) to the Department's Environmental Review Officer, 1660 Mission Street, San Francisco, CA 94103.

The Final EIS/EIR will respond to all comments and is scheduled for certification in the Spring of 1996. Upon certification by the City Planning Commission, the Board of Supervisors may endorse a project for implementation.

MEETING NOTICE

Citizens' Advisory Committee for the Embarcadero Project (CACEP)
Tuesday, September 3, 1996
6:00 - 8:00 P.M.
Hyatt Regency Hotel, Grand Ballroom C
#5 Embarcadero Center, San Francisco

Agenda

1. *Welcome*
2. *Waterfront Transportation Projects Status Report*
3. *Presentation by Consultant Team of the Mid-Embarcadero Roadway and Open Space Urban Design Concept*
4. *Question and Answer Period*

The primary purpose of the meeting is a presentation of the newly-developed Urban Design Concept for the Mid-Embarcadero Roadway and Open Space Projects, as prepared by the ROMA Design Group consultant team. A large scale model of the Mid-Embarcadero area around the Ferry Building will be available for viewing.

City staff will also update the CACEP on the status of all Waterfront Transportation Projects, with particular emphasis on the proposed Mid-Embarcadero Freeway/Terminal Separator Structure Replacement Project. The final Environmental Impact Statement/Environmental Impact Report (FEIS/FEIR) for the project is tentatively scheduled for publication on August 29, 1996. The certification hearing at the San Francisco Planning Commission is tentatively scheduled for September 12, 1996. Review copies of the FEIS/FEIR will be available at the San Francisco Planning Department and the San Francisco Main Library. For further information on the FEIS/FEIR, please contact Paul Maltzer, Office of Environmental Review, at 558-6391.

On the other side of this notice is a tentative hearing schedule for the approval process of the Mid-Embarcadero/Terminal Separator Structure Replacement Project and the conceptual endorsement of the Urban Design Concept. Please contact the Commission Secretaries for the respective commissions the week of the hearing to confirm the schedule and time.

If you would like further general information, please contact Jeannie Taulealo at the Waterfront Transportation Projects Office at 554-5780.
